

Membership Application

Join us! We are a coalition of citizens, businesses and community groups who promote and support the City of Carmel's commitment to reduce our impact on the environment and meet the climate challenge. By joining, you will raise environmental awareness in our community and help to protect our quality of life by working together for a greener tomorrow.

Click Donate on CGI's website (www.carmelgreen.org) or write and send a check to:

Carmel Green Initiative, Inc.
c/o Cindy Muse
5399 Lochmere Drive
Carmel, IN 46033

Carmel Green Initiative, Inc. is a 501(c)(3) non-profit. Donations are tax deductible to the extent allowed by law.

Carmel Green Initiative Volunteer Opportunities

Please **HIGHLIGHT**/Circle your areas of interest!

COMMUNITY OUTREACH

Help staff the CGI table at community events such as Farmer's Market and Carmelfest. No preparation required and only require a couple hours of your time. It is a great way to meet people and let them know about local environmental sustainability efforts. There are several events throughout the year to choose from.

SUSTAINABLE LIVING SEMINARS

Join the team to plan & organize the Sustainable Living Seminars at the Carmel Clay Public Library. We hold approximately 4 seminars each year. This is a great way to raise environmental awareness and requires 1-2 planning meetings prior to the event plus assisting at the event. Or just help out for a couple hours on the evening of the seminar.

GREEN GIFT SHOP

Help plan & organize the fall Green Gift Shop. The Green Gift Shop offers a green alternative to holiday shopping. It requires a few planning meetings prior to the event plus the assisting at the day of the event. Or just help out for a few hours on the day of the event.

THE PROMISE PROJECT

The Promise Project is a youth-led program for kids. It empowers Carmel youth to ask their leaders to keep their promise to protect the future for their generation. Youth are encouraged to get involved to make a difference. Adults can volunteer to help mentor youth leaders.

EARTH DAY ART CONTEST

Carmel Green Initiative hosts an annual environmental art contest in collaboration with several community partners to raise awareness about energy conservation and earth stewardship through art. This community education initiative runs from December through May. There are several ways to participate from volunteering just a couple hours to helping plan the art contest.

SOLARIZE HAMILTON COUNTY

Solar is one of the most powerful ways to reduce carbon emissions. Carmel Green Initiative has partnered with Solarize Hamilton County and Solar United Neighbors (SUN) to offer a Hamilton County Solar Co-op. We are seeking a Program Director to assist with scheduling, promotion, coordinating volunteers, and facilitating solar workshops to promote solar in Hamilton County. Workshops take place in Spring through Fall.

ADVOCACY

Carmel Green Initiative advocates for policies at the local, state and federal level that promote sustainability in partnership with peer groups. Help follow bills and provide action alerts.

CURRENT IN CARMEL ARTICLES

Join our team to write and publish a monthly guest column in Current in Carmel regarding sustainability and other green topics.

If you have questions or would like information on current volunteer opportunities, dates and times, please contact volunteer@carmelgreen.org.
